15-740/18-740 Homework 0

Due September 14, 2011. Answer all questions. You have to submit a hard copy (yes, this is old school!).

Your Full Name:

Photo: Please attach a recent photo of yourself so that we can get to know you.

Your Email Address:

Your Department/Major:

Degree you are working on (PhD, MS, IMB, BS, etc):

What semester/year did you start at CMU? When do you expect to finish your current degree?

When and where did you take 447 (or an equivalent introductory course in computer architecture)? If you have not taken 447, you will have to speak with the instructor.

Are you registered for 740 or are you on the waitlist?

What is your research area/topic and advisor? (if you know)

Why are you taking 740?

What do you expect to learn from this course?

What are your education goals and career plans beyond the current degree you are working on?
What is the research project you would like to do in this course? OK to not have a specific answer, but indicate your general area of interest.

Is there any topic that you are really looking forward to learning in this course?

Any other comments you would like to make (about anything)?
