15-740/18-740 Homework 0

<u>Due September 6, 2013.</u> Please attach a recent picture of yourself and return electronically as a PDF file.
Your Full Name:
Photo: Please attach a recent photo of yourself so that we can get to know you.
Your Email Address:
Your Department/Major:
Degree you are working on (PhD, MS, IMB, BS, etc):
What semester and year did you start at CMU?
When do you expect to finish your current degree?
Did you take 18-447 or an equivalent introductory course in computer architecture (See https://www.ece.cmu.edu/courses/items/18447.html)? If so, when, where, and who was the instructor?
What is your research area/topic?
Who is your research advisor? (if you know)
Why are you taking 740?

What do you expect to learn from this course?
What are your education goals and career plans beyond the current degree you are working on a
What is the research project you would like to do in this course? OK to not have a specific answer, but indicate your general area of interest. It is very good to start thinking about your project now.
Is there any topic that you are really looking forward to learning in this course?
Any other comments you would like to make (about anything)?
